## Our Facial Offerings

### **Epicuren® Discovery Signature Facial**

Experience unparalleled results in just one treatment with Epicuren®'s award-winning Signature Facial. A revolutionary combination of proteins and B vitamins activate vital energy necessary for healthy cellular function, dramatically enhancing the appearance of skin tone and texture. An advanced enzymatic peel is coupled with layers of skin-tightening masks, which are systematically applied to mimic an aerobic, toning exercise for the face, visually improving muscle tone, firmness, and elasticity.

### **Epicuren® Discovery InjectStem™ Bio-Firming Facial Peel**

Say goodbye to costly injections! Epicuren®'s luxurious "needle-free" facial with a 35% glycolic exfoliation addresses skin volume from within to visibly reveal the elasticity of your youth, using the latest in stem cell and peptide technology.

### **Epicuren® Discovery Restorative Rescue Age-Protect Facial**

This facial utilizes Epicuren®'s most cutting-edge antioxidant products to help protect the skin from the damaging effects of free radicals. Dramatically restore a more youthful appearance with this age-protecting treatment.

### **Epicuren® Discovery Gentlemen's Express Facial**

Designed specifically for gentlemen on the go, this targeted facial is ideal for the man who has just received a shave and a haircut, or is simply looking to maintain a clear, youthful complexion.

### **Epicuren® Discovery Teen Clear Skin Facial**

This facial is designed to introduce teens to the basics of skincare and acts as a proactive step for years to come. Teens learn how to properly cleanse, exfoliate, moisturize, prevent, and correct breakouts along with the importance of sun protection.

### **Epicuren® Discovery Liquid Lift Peptide Facial**

Mimic the effects of costly injections with our "Liquid Lift" treatment. This facial treatment features our most advanced anti-aging products, Bio Peptide Complex Serum, Pro Collagen + Serum Amplifier and the ultra-luxurious Ultima-Peptide Maximum Peptide Complex.
